PRESIDENT'S OVERVIEW OF THE YEAR 2014

Happy New Year, everyone! I want to thank the RHS Alumni Association Board of Trustees and the docents for their dedication, hard work and for keeping everything running smoothly this year. Kim Boldi, Class of 1980, and Bruce Pendleton, Class of 1958, joined the board this year. Two outstanding board members will be rotating off the board next year – Treasurer, Gloria Garaventa, Class of 1951; and Membership Chairman, Nettie Wong, Class of 1956. We sincerely thank them and wish them the best. We are in need of additional alumni to serve as Board members.

The big event this year was the highly successful 7th Triennial All-Class Reunion held on August 17, 2014 on the RHS campus. About 675 attended and were treated to classic cars around the circle in front of the school, a visit to the museum, an opportunity to buy RHS gear, a wonderful lunch catered by Pinocchio's, a tour through Reno High, and best of all, a chance to meet up with old classmates and swap "war stories." Special thanks to the Reunion Committee, JROTC cadets, and Student Leadership students for their help.

We awarded four scholarships to deserving seniors and coordinated the awarding of the Westover Family Scholarship in May. The RHS Alumni Leadership Medal and certificate was given to an outstanding JROTC cadet.

The Alumni Center was used by the Principal for 8th grade orientation in May. We provided the incoming students with a brief history of Reno High School and Alumni Association. The center was open for Parent Night in September and also used for 3 days by RHS teachers for Freshman Seminar. The AAA (Athletics, Academics, and Activities) Club held a meeting at the museum and was provided a brief history of RHS, Alumni Association and museum. Washoe County School District also used our facilities as well as JROTC Classes and We the People participants. The museum continued to be open to the public on Fridays and Saturdays but closed on holiday weekends.

Four quarterly *Huskie Trails* alumni newsletters were published and received positive comments from members. Seven life members were added this year. The Class of 1949 became a Bronze Level Sponsor

There are 523 members who pay dues and support the Association. This is very low compared to the many thousand graduates who aren't members. We are always in need of more members.

Daryl Pelizzari and I are members of the RHS Athletic Hall of Fame Committee.

The Association is financially sound.

Former Trustee Betty Munley passed away in November. Our condolences go out to Betty's family. We are thankful to Betty for all that she did for our Association.

In November, Link Piazza passed away. He was a community business leader, philanthropist, military veteran, and a generous supporter of our Association. Link's financial support was instrumental in establishing our Association and in securing a space for all Reno High alumni to call their own. I would like to offer our condolences to the Piazza family.

Best wishes to all RHS teachers, staff, students, and alumni for a successful 2015.

Scott Jordan

RHSAA President

BLAST FROM THE PAST

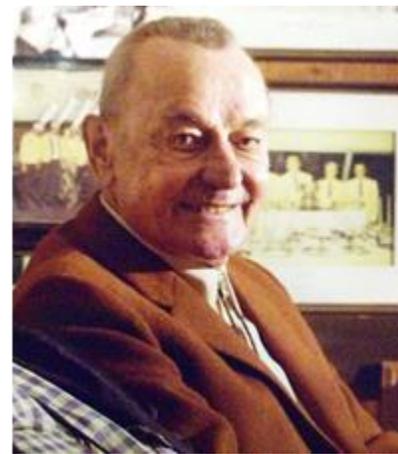

From the Superior California News dated November 24, 1967:

RENO SCHOOL IS DESTROYED BY BLAZE

Three firemen suffered minor injuries when a fire gutted an abandoned school near the downtown area, half of which had been sold only 10 days ago for \$500,000. The fire was discovered about 1 p.m. yesterday in Central Junior High School – formerly Reno High School..... Before the flames were controlled two hours later, most of the section facing West Street had been gutted.

The Washoe County School District sold half of the property Nov. 14 to a group represented by real estate broker Otto Ahner for \$486,000. School trustees had been trying to sell the property without success.

At that time, board members awarded a \$22,500 contract to L.A. Danson Co. to raze the building.

FAREWELL TO LINK PIAZZO

One of Reno High School's distinguished alumni, Link Piazza, class of 1937, passed away on November 14, 2014. He was 95 years old. Reno High, the RHS Alumni Association, and Reno community are indebted to this generous philanthropist.

In 1938, with his brother Chet, Link founded The Sportsman sporting goods store. In December of 1941, Link enlisted in the Army Air Corps. He became a B25 pilot and completed 67 combat missions during World War II. He was awarded 14 medals for his service, including the Distinguished Flying Cross.

Link and Chet resumed management of the Sportsman after the war, a career that would cover 60 years. Link served as president of the Western Sporting Goods Association and National Sporting Goods Association.

He began a lifelong commitment to community service as a result of the war. He said in an RGJ interview in 2013 that it was his war experiences – including many narrow escapes that he detailed in his autobiography, "It Can Always Be Worse. Never Give Up" – that prompted him to give back. "I was on my way home on the boat and said to myself, 'God saved me for a reason. If I ever have any amount of money, I want to help people in my community.' That's why I did it."

Link was an active member in a number of community organizations including the 20-30 Club, the Reno Rotary and the Sierra Sportswriters and Broadcast Association. He was the voice of UNR football and basketball games from 1947 through 1952. Link was the co-host of the Sportsman's Corner television show, later known as Sportsman's Trails. He was also a co-organizer of the first Reno Little League and the city's junior ski program.

He was awarded a number of honors for his civic activities. These honors included Junior Achievement Laureate, Reno Chamber of Commerce Civic Leader of the Year, Reno YMCA Red Triangle, Humane Society Community Protection Award, and the Board of Regents Nevada System of Higher Education and Distinguished Nevadan.

He donated money to Reno High School, Nevada Humane Society, University of Nevada Reno Athletics Department, Reno YMCA, Reno Rotary, Rotary International, Saint Mary's Hospital, City of Reno Community Center, and Pet Network Animal Friends of Incline Village. Through a special donation, the Reno High School Link Piazza Alumni Center, our unique high school museum, was built in 1999 and opened in January 2001 on the Reno High campus. A display case honoring Link is found in the museum.

Governor Brian Sandoval said in a statement, "Link Piazza is one of Northern Nevada's great icons. He served our country with dignity and honor and his generosity, goodwill and kindness have made an indelible impact on generations of Nevadans."

Link will be missed, but not forgotten. He left behind a lasting legacy, and our condolences go out to his family and friends.

MARCH MADNESS

One major reason Reno High continues to be the crown jewel of public education in Nevada is due to the continued support of the community and its strong alumni network. On Saturday, March 21, 2015, Reno High School will be hosting its second annual March Madness fundraiser at the Eldorado Hotel-Casino. This fundraiser is geared toward refurbishing the existing College and Career Center and turning it into a hospitable place for students and parents to get help with the daunting process of applying for scholarships, filling out job applications, completing resumes, and applying for college. The event will include dinner, silent auctions, basketball, and a live auction. Please consider attending the event or donating an item to be auctioned off. For more information, please see the flyer at the end of this newsletter. If you have any questions or would like to purchase tickets, contact Assistant Principal Linda Feroah at 327-0777 or at lferoah@washoeschools.net.

FIRST ANNUAL RHS BAND ALUMNI NIGHT

As stated in the last newsletter, the RHS Band Boosters are inviting former band members to a special event on January 23, 2015 at 6:00 PM in the band room IA6 (former industrial Arts building). For more information, contact Judy Harrison at email judykharrison@gmail.com. Please pass this information to any RHS Band alumni.

We are again ramping up for our 2nd Annual March Madness Gala fundraising event which will be held on March 21st at the Eldorado Hotel-Casino. We hope you will make plans to join us for an evening of NCAA basketball and fun! This event will feature both a live auction and silent auction and tickets will go on sale December 1st.

Ticket Cost: \$75 per person or \$700 for a table of 10 and can be purchased from Tina Rooker in the Asst. Principal's office at the school.

Last year we were very fortunate to have outstanding donations of items and services provided for both the live and silent auctions and we hoping that the Reno High School community will again generously participate in this worthwhile fundraising event. Below are listed some examples of the types of donations we received last year:

Golf foursomes or golf packages

Weekend getaway packages

Photography packages

Concert tickets

Group dinners

Wine tasting tours

Sports tickets

Our students will once again be creating their one-of-a-kind baskets which will be available during our silent auction event. If you have empty baskets around the house and would like to donate them, please feel free to drop them off in the Asst. Principals' area and we will put them to good use.

If you have anything you would like to donate for our event, if you have questions or suggestions, or if you or your business would like to be a sponsor, please contact Linda Feroah (327-0777) at the school or by email at lferoah@washoeschools.net
