

Huskie Trails

The Official Newsletter of the Reno High School Alumni Association

President's Corner

Fellow members and friends,

We have reached the end of another quarter, the 4th quarter, and that means the end of yet another year. I have had a very busy year but thanks to the Board of Trustees a very productive year. The people that run this association are very special **volunteers** and I know what a small part I play without them. THANK YOU ALL!

I have said it before but it is worth repeating, "Our Museum and Association are unique. As far as I know, or can tell, we are a one of a kind organization throughout our nation." That in itself and with your membership in such an organization is something to be very, very proud of.

If you have not visited our museum lately please come in and see what is new. Our volunteers work constantly to update our facility, display cases, record books, old year books (dating back to 1905), scrap books (dating back before WWII), books (written all by R.H.S. Graduates and on display), R.H.S. jewelry, old band uniforms, cheerleader uniforms, panorama pictures of classes dating back to the 50's, old athletic pictures dating back to the 1900's, and this list just scratches the surface.

If you have not visited your museum you are truly missing out on one of the **best kept secrets** in the Reno area. Let us face it, no other high school has the legacy or pedigree that we pose and are able to share with others and do proudly. Please join us.

In other issues of this newsletter I have stressed the importance of sustaining memberships in the Alumni Association. As I have referred to membership in the past, "I have said it is the life blood of this organization and will be as long as **we** are active. **We** is **you** so if you have not joined the Alumni Association please do. It is inexpensive, informative (newsletters quarterly w/membership fee), and it makes a great gift.

Due to the restraint in the limited space for this newsletter, we have not published a membership application form in quite some time. Not so for this letter! At the publication of the last newsletter I received a call from a member's wife who asked why not, why don't we offer an application? So fill out the application and join. Thank you for the phone call Mrs. L., nice talking to you.

This year has not been quite as good for new members as I would have liked. That being said I was really taken by the number of new Life Members Thank you all very much, THANK YOU.

This year was also a good year for very generous individual donations and generous class reunion donations. The Class of 1978 made a generous donation at the conclusion of their reunion. THANK YOU ALL. Your name will be added to the Major Donors Plaque that appears in the Welcome Vestibule Area as you enter the museum.

Again I must add my voice to Face Book and others to pleas in asking for new volunteers to fill vacancies on our Board of Trustees and our crew of volunteers who help around the museum. Please come and help. Only a few hours but very rewarding.

Also Scott Jordan is moving on. This will be a great loss as he has served in many positions including Board Member, Vice President, President and many others. THANK YOU.

One last **BIG** Thank You goes out to Roberta Fraser for her tireless years of museum help. We could not have done it **without you!** THANK YOU FOR YOUR YEARS OF SERVICE TO OUR MUSEUM. YOU HAVE BEEN A TREASURE.

We are financially sound.

**JOHN M. WATSON,
PRESIDENT RHSAA**

Wells, Dawn ~ Class of 1956 ~ A Guide to Life, What would Mary Ann Do?{Gilligan's Island}

AROUND THE RENO HIGH SCHOOL CAMPUS

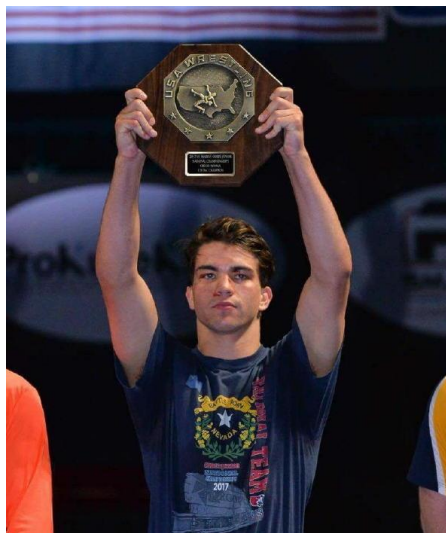

Reno High Wrestler Andrew Berreyesa - RHS grad 2017

By Craig Lemons

Andrew was a 2017 graduate of Reno High. While here he was a 4 time state finalist winning 2 state wrestling titles in 2015 & 2017 at 170 pounds. His overall high school career record was 197 wins and 12 losses. His wrestling career is much broader than his wins and those two state titles. Andrew began wrestling at 6 years old, often wrestling with his much older brother Dereck. He had much success in youth wrestling, and was part of the Northwest Knights wrestling club. In high school Andrew lettered in both Wrestling and Football and while at Reno High, he was invited to train at the US Olympic Training Center in Colorado Springs.

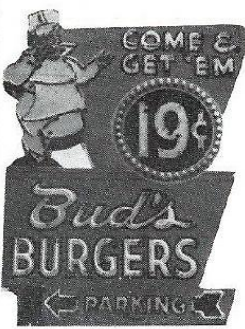

Andrew committed to Cornell University to wrestle, and to gain additional experience, he took a “gap year” (Ivy League schools do not allow red-shirting, so this is the way to accomplish this) and attended Finger Lakes Prep Academy. While at Finger Lakes Andrew is able to compete in tournaments as an unattached competitor against all college wrestlers. This past season he went 26-7 only losing to older NCAA ranked wrestlers.

Since graduating from Reno High, Andrew has wrestled across the US and in several countries including Sweden, Slovakia, and Austria. His first national Championship was in the elite Fargo National Wrestling tournament, where he won the 170 pound Greco-Roman title. Next came the US Open Wrestling tournament in Las Vegas where Andrew won the US Junior Title. This tournament was a qualifier for the US Junior National Wrestling Team where Andrew secured a spot by winning his final Challenge Tournament. This accomplishment has been the height of Andrew’s career and an elite honor to represent the United States at the World Championships in Slovakia. In a 37 man bracket, Andrew wrestled his way to the finals securing a medal. In his Finals Match Andrew wrestled a 2 time world champion and #1 seed from Russia. Although he lost this match and ended with a Silver Medal, very few can say that they are the second best in the WORLD!!!!

Congratulations to Andrew Berreyesa.

CLASS REPRESENTATIVES

Class Reps are points of contacts for their classes in planning and coordinating their class reunions. The RHSAA maintains a list of class representatives and assists them in advertising their reunions through our website and newsletters. We also direct alumni who call the office looking for information about their reunion to these class reps. There is a need of class representatives for the classes of 1948, 1991, 2000, 2001, 2004 and 2009 to the present. If you know someone who would like to represent these classes, please again call Betty Jo Baker.

Garrett Hampson

By Brien Karlin

Reno High first fielded a baseball team in the spring of 1939. Considered a “minor sport,” the team would play against any opponent including inmates from the Nevada State Prison, UNR fraternities and the Stewart Indian School. After World War II, baseball crossed the threshold to become a varsity sport and every subsequent spring, the Huskies have put forth one of the finest teams in Northern Nevada. Despite five state championships, only two players have risen to the ranks of the highest echelon of the sport. The first was right handed pitcher Shawn Boskie who played for six teams during his nine year career while racking up a 5.14 ERA. Boskie retired at the conclusion of the 1998 season and currently resides in Scottsdale, Arizona.

On July 21, 2018, a 23 year old Reno High grad donned a Colorado Rockies uniform and stepped into the dugout at Chase Field, not far from Boskie’s house, to make his major league debut against the Diamondbacks. In the top of the 5th inning, the right handed batter drove a curveball off the left field wall, scoring a run, and beginning Garrett Hampson’s major league career.

Hampson grew up like many other Reno High boys who had aspirations of playing major league baseball. He played little league at Reno National and lived across the street from the fields. He would hop the fence at Swope and hit balls in the batting cages for hours. As a Huskie, Garrett excelled on both the baseball diamond and basketball court. He batted .492 with 36 RBIs and 21 stolen bases his senior year. Following high school, the major leagues tempted him. He was drafted in the 26th round of the 2013 draft. Garrett turned down the offer and began his collegiate career at Long Beach State University. While in college, Garrett was the Big West Freshman Player of the Year in 2014 and was selected to the USA Collegiate National Team. After two College World Series appearances with the Dirtbags, Garrett entered the MLB draft and was selected in the 3rd round by the Colorado Rockies. He spent the 2017 and early 2018 season on a meteoric rise through the Rockies farm system until his Major League debut.

For the remainder of the 2018 season, Garrett filled in for injured starters as a utility player and returned to the minors until the roster expansion in September when he was called back up. While in the big leagues, Garrett posted a respectable .275 batting average with a couple of stolen bases. According to multiple sources, Garrett stands a very good chance at being the starting second basemen for the Rockies on Opening Day in 2019. If you are looking for a reason to follow major league baseball, keep your eyes on the Colorado Rockies and RHS alum Garrett Hampson.

RHSAA Membership Application

The purpose of this non-profit association shall be to identify and recognize the accomplishments of the alumni, students, and staff of Reno High School. Equal attention shall be paid to academic and non-academic phases of high school activity, in order that a well-balanced picture may be presented to the public. Your information will be entered into our database for future use and never given to anyone without your permission.
